IAS STAFF MEETING MINUTES

21 July 1972

PRESENT:

1. [] noted completion of the IAS contribution to the Agency Annual Report.

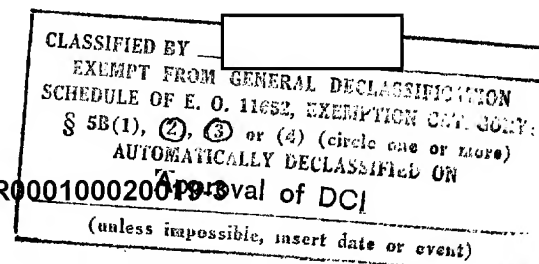

2. [] reported on the DDI Executive Council meetings he attended this week at Headquarters.

a. OER's World Opium Survey is the first unclassified report in the narcotic series, with initial printing of 3,000 copies. Narcotic studies will be handled in the future by an appointed Cabinet level group.

b. Harry Fellwork, author of the NSA article appearing in Ramparts magazine this week, was scheduled to appear on television on 18 July.

c. Mr. Eisenbeiss reported that the New York Times, Washington Post, and AP have submitted requests for CIA documents per the Freedom of Information Act. He commented on the cost to the Agency in searching and responding to requests for these documents. Mr. [] Special Assistant to the Executive Director-Comptroller, is in charge of handling requests for declassified materials.
